# ***DVDs, Flash Drives, Manuals***

## **DVDs**

DVDs show round dance actions, movements and figures. They show the footwork of each item as a couple and the man's and woman's footwork separately. They also show the figure danced with an entrance and exit figure. Watch nationally renowned teachers dance the figures!

### ***We offer 6 DVDs:***

Phase I/II

Phase III

Phase IV

Phase V

Phase VI

Addendum - figures that were not on previous DVDs or were updated.

## **Flash Drives**

All of the videos that are on the DVDs are also available on a flash drive. The advantage to the flash drive is that it also includes software that allows you to find a particular figure very rapidly and move from phase to phase without loading a different DVD.

Our flash drive with pre-loaded software is called:

### **Figure Video Software (FVS)**

## **Manuals**

Printed footwork description manuals may be purchased for all of the actions, movements and figures in all phases. We also offer manuals for cueing and teaching, with special manuals for new round dance leaders, square dance callers and choreographers.

A subscription to our electronic manuals is also available through our website. A subscription provides access to the manuals from any computer. It also assures you have the most up-to-date manuals available at all times. Electronic manuals may be downloaded into your computer or printed from your computer.
